Sec. 27 Tp.

13 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms. . -

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Mr. J. H. Smith, Esq.,
Calgary, Alberta.

Dear Sir:-

I have your letter of March 10th, but am not able to give you a definite answer.

If it is your intention to send Soldier Settlement Entry 1, as you have indicated, you will be required to furnish the affidavit before the Attestation Certificate is issued.

However, the affidavits of Attestation Certificate 1, as required for the time being at the provincial government are not admitting any further claims to a grant.

I enclose from your letter that you desire to transfer your personal interest in the land grant to the subject of your entry 1, as you have indicated. There is no objection to this, but you must first get the approval of the Department of the Interior at Ottawa. If the approval is given, the land office at the Soldier Settlement Board will be notified and the necessary steps will be taken to transfer the land to you.

Very truly yours,
The Soldier Settlement Board.

Deputy Minister,
Department of the Interior,
Ottawa, Ontario.

Dear Sir:

ON April 3, 1911 your Department issued a patent covering the NE 1/4 12-30-17-W4th in the Province of Alberta, to Herman Sjöberg. On February 27th, 1918 your Department also issued a patent covering the NE 1/4 1-30-17-W4th in the Province of Alberta to Herman Sjöberg. I have before me a certificate of naturalization dated January 21st, 1910, of one Herman S. Joberg, and Mr. Joberg tells me that the patents should have been issued to him in the name of Herman S. Joberg rather than in the name of Herman Sjöberg. I am wondering if you still have in his files his original application which he signed in order to file on his homestead, which was the NE 1/4 12-30-17-W4th, and also on his pre-emption which was the NE 1/4 1-30-17-W4th. There evidently has been a mistake somewhere as the "S" of Mr. Joberg's second name has been added to his surname as a first letter, and I would like to get the titles to Mr. Joberg's land corrected.

Any information you can give me as to the signature on the application, which he filed on the homestead and pre-emption, will be greatly appreciated.

Yours faithfully,

W. A. Low

Dear Sir:

In reply to your letter of November 13th, I may say that in his sworn statement dated December 19th, 1911, furnished in support of his application for homestead patent for the S.E. 1/4 12-30-17 W 4M, and again in his sworn statement dated August 8th, 1914, furnished in support of his Pre-Emption Patent for the N.E. 1/4 1-30-17 W 4M, the signature of the subject appears as Herman Sjoberg.

Further to this Herman Sjoberg made a declaration on February 21st, 1912, that the correct spelling of his name was "Sjoberg".

Yours very truly,

J. Lorne Turner,
Registrar of Lands.

Sir,-

S. 2. 1 of Sec. 30 Tp. 31 Rge. 14 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Monsieur Caro est
toujours très travaillé, pressé
et hâlé à l'extrême et à
la violence. Il est pour nous une
véritable énigme et un véritable
inabordable. Je ne le croie guère
digne de l'ambassadeur même.
Sans son temps d'absence. Il est
probable qu'il était dérangé et
indisposé à la folie mais on ne peut
être sûr de rien qu'il était abîmé avant
de se marier. La dent est devenue
un véritable ennuie pour son mari.
Veuillez agréer mes salutations
dévouées.

BOARD ORDER

MM 90

May 28th, 1913

H. J. Brown, Esq.,
Carrington,
Food Grain & Relief Adjustment Board,
Edmonton, Alberta.

Dear Sir:

Re: Benjamin J. Miller
MM 9-14-22-4 - Dominion Liens

The above party secured the following advances from the Dominion Government:

| | | |
|------------|------------|-----------------|
| Dec. 29/14 | Relief | \$60.00 |
| Mar. 29/15 | Food Grain | <u>\$34.15</u> |
| | | <u>\$ 94.15</u> |

A statement provided by the Department of the Interior discloses the fact that the relief lien was cleared in full by a payment of \$60.00 in 1917, while the sum of \$200.28 has been paid on account of the Food Grain lien, leaving a balance outstanding as at March 31, 1914 as follows:

| | | |
|------------|-----------|-----------------|
| Food Grain | Principal | \$111.73 |
| " | Interest | <u>52.57</u> |
| | | <u>\$164.30</u> |

Security for this advance consists of a registered lien filed against the above described property, which land, upon the demise of the debtor, passed to the Municipal District of Clear Lake No. 129 under Tax Recovery proceedings.

The district is now anxious to dispose of the property by way of sale for a sum of \$600.00, which is

..... established as

S. J. Proom, Esq., (S) - Miller

established as representing a fair sale value. There is outstanding in addition to the Dominion claims a claim of the Municipal District for taxes and seed grain in a sum of \$1,561.35.

The district is particularly anxious to secure some assurance that the Dominion liens can be disposed of and has expressed the intention of paying a pro-rata share of the sale price in satisfaction of these liens, if the same will be accepted.

In view of the fact that the sale price is insufficient to satisfy all claims, I would recommend that the same be distributed as follows:

| | |
|-----------------------|------------------|
| M. D. Tax | |
| Supplementary Revenue | \$35.03 |
| Hall Insurance | 33.03 |
| School Tax | 55.49 |
| M.D. Seed Grain | 100.00 |
| Dominion Liens | 446.44 |
| | 79.13 |
| | <u>\$ 800.00</u> |

and that upon receipt by the Department of the Interior of the sum of \$76.16, all Dominion liens be removed from title to this land.

The total repayments, after application of the sum of \$76.16, in respect of these liens will exceed the original amount of the advances and as the debtor is deceased and there is no further security, I would recommend that the balance be written off as uncollectible.

Yours very truly,

The above party secured the following advances from the Dominion Government:

| Mar. 29/15 | Food Grain | 234.15 |

A statement provided by the Department of the Interior discloses the fact that the Relief lien was cleared in full by a payment of \$300.00 in 1917, while the sum of \$200.22 has been paid on account of the Food Grain lien, leaving a balance outstanding as at March 31, 1934 as follows:

| | |

Security for this advance consists of a registered lien filed against the above described property, which land, upon the demise of the debtor, passed to the principal District of Clear Lake & the Relief Tax Recovery Boardings.

| Dominion Liens | 76.15 |
| | <u>\$ 860.00</u> |

and that upon receipt by the Department of the Interior of the sum of \$76.15, all Dominion liens be removed from title to this land.

The total repayments, after application of the sum of \$76.15, in respect of these liens will exceed the original amount of the advances and as the debtor is deceased and there is no further security, I would recommend that the balance be written off as uncollectable.

Sir,-

N.E. 1/4 Sec. 18 Tp. 11 Rge. 7 West 4th Mer. **SENT**

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

The Minister of the Interior states, under date 18th November, 1912, that authority has been granted to "The Southern Alberta Land Company, Limited", under the provisions of the "Irrigation Act", to construct a reservoir in townships thirteen and fourteen, range ten, west of the fourth meridian; that the said reservoir comprises all, or part, of certain quarter-sections which are now held under homestead or pre-emption entries and that the successful operation of the said company's irrigation system requires that the land comprised in the said reservoir site shall be owned or controlled by the Company.

The Minister further states that in some cases all of the land so held under entry is required for reservoir purposes; in other cases the greater portion of the land so held is included in the entries and, in his opinion, the remaining portions are not sufficient for the support of a family by ordinary farming operations.

The Minister, therefore, recommends that "The Southern Alberta Land Company, Limited", be permitted to acquire, by purchase from the respective entrants, the land shown in the schedule appended hereto and to take quit claim deeds, or surrenders, from the said entrants for all of their right or interest in the said land, the said quit claim deeds, or surrenders, to be filed by the said company with the Minister of the

Mr. E.M. Medlen,

Seed Grain Advisory Board.

Re: Account of Everett Ross Jackson,
N. 7-34-6-W. 4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain amounting to \$336.30 was advanced to Everett Ross Jackson on the security of the above mentioned land. Payments of \$16.00 and \$100.00 were received in 1921 and 1930, respectively, and applied to the interest. The present standing of this account is:-

| <u>Principal</u> | <u>Interest</u> | <u>Total</u> |
|------------------|-----------------|--------------|
| \$ 336.30 | \$ 505.61 | \$ 841.91 |

Patent was issued in the name of Homer James Kelts for the N. 7-34-6-W. 4th on the 21st of October, 1912. Title to the land was later acquired by Everett Ross Jackson on which security he obtained an advance of seed grain in 1915.

In reply to our questionnaire of the 21st July, 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"Title to this land is vested in this Department having been acquired through proceedings under the Tax Recovery Act and is occupied at present under a long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any other purpose than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our lien. Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

But by so doing I was unable to get buildings & residence done as I should otherwise have been able to do.

SENT

Sir,-

S.W. 1 of Sec. 22, Tp. 28, Rge. 5, West 5th Mer

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,
